Welcome

The history of Daylight Saving Time was that it was used to save energy and make better use of daylight hours. It came into law several different times in the United States between 1918 and 1942 mainly because of the wars going on and helping to conserve energy. Whether you like this time switching back and forth or not, you have to love the longer days during the summer. You know Spring is coming! Isn't that how it looks before Jesus comes? Do you feel that the daylight hours are waning and we better make use of the daylight and let others know Jesus is coming back! Welcome to Campion.

Our Mission

We serve and glorify God through
Christ-centered worship,
individual spiritual growth,
youth involvement,
and
community interaction.

March 26 & 27, 2016
 from 2-6 pm
 At Campion Academy

There are several ways you can volunteer to help this event be successful.

- Several people to help manage the costumes (so people don't pick, paw, and break up units/costumes)
- People to decorate and staff booths in the market place
- Guys with trucks and power screw-drivers/ladders, to help move and set up the flats/village on MONDAY the 21st of March
- Then a group of folks to help take things down and put materials away on Monday the 28th of March
- Folks who may have unique Bibles who would be willing to have them on display, contact Pastor Nestor.
- We have posters and postcards for you to take and pass out to friends and neighbors to invite them, please pick them up at the welcome desk.

People who are willing to help out, or who have questions, should call Dick Stenbakken on his cell phone: 970-290-6469 (we will be at the GC for meetings...2 hours ahead of here!)
