Welcome

Doctor Luke was a gentile physician and author of two of the New Testament books in the Bible (Gospel of Luke & Acts). He was noted as the only one that stayed with Paul until he died in Rome. While working extensively with Paul, he met and interviewed many of the other early church leaders including those who had worked directly with Jesus. It was from his perspective that our children this last week have learned of Jesus. Our study today, takes the last lines from his gospel and dreams forward of what all they include. Welcome to Campion.

Our Mission

We serve and glorify God through Christ-centered worship, individual spiritual growth, youth involvement, and community interaction.

Appreciation for VBX: Many of us can trace our picture of Jesus back to a Vacation Bible School experience. This summer has been no different and some 50 volunteers have helped create an experience where a picture of Jesus was seen. Each of our volunteers have made this last week possible and even more made an eternal impact on a young heart. Thank you to our team:
